Our Values

CARE means doing what's best for our customers, colleagues and our communities by:

- Considering them in everything we do
- Doing the right thing – no exceptions
- Delivering with passion and excellence

CONNECT means building lasting relationships with our customers, colleagues and our community by:

- Getting to know them and what they need
- Collaborating with them to find solutions
- Sharing information and staying in touch

CREATE means shaping the desired future for our customers, our communities and ourselves by:

- Always being curious
- Taking risks and embracing change
- Getting things done
